

CHRISTIAN RETAILING'S BEST AWARDS 2013

The Christian products industry has spoken, and the winning products have been recognized in the 2013 Christian Retailing's Best awards sponsored by *Christian Retailing*.

Finalists were named from among the nominations that companies and authors submitted for this year's competition. Voters from across the Christian products industry were asked to judge the nominations on their impact, including their ability to speak to people's hearts and evoke emotion; open people's

minds to new ways of thinking; and encourage and affirm Christ-like living.

Introduced in 2001, the awards have been increasingly acknowledged as an important way of recognizing some of the most significant new life-changing products in the Christian products industry.
